### ***Presidents Corner by Tom Fitzgerald***

By the time you receive this newsletter we should be officially in summer. The reports I have been hearing and reading indicate that fishing is starting to pick up with the calico and sand bass beginning to bite along with white seabass and barracuda. Now if we can only get the weather to cooperate we can start catching them. As most of you know our June Pacific Dawn trip was canceled due to weather.

Our July 16<sup>th</sup> trip is on the Spitfire. This is a day trip and there is still room on this trip. This should be a good trip with the local fishing picking up. Our August and October trips are full at this time but it never hurts to get on a waiting list by contacting **Steve Berczik**. Our November trip on the Pacific Dawn is out of San Diego and has room. Our last trip of the year is a twilight trip on the Spitfire and it still has room. This is always a fun trip.

The rules for parking at the San Diego Landings have changed as of June 1<sup>st</sup>. You can find a good explanation on the Searcher's web site [searchersportfishing.com](http://searchersportfishing.com) under the June 15 Captain's Blog. You can also find a parking map on the Fisherman's Landing web site. Our next meeting is **July 6th** at **Brandon's** located at **370 N. Mountain Ave. in Upland**. The meeting starts at **7:00 pm**. Many of us come early to have dinner and socialize before the meeting. Newcomers are always welcome.

Our guest speaker for Rick Carr from Gamakatsu. If you have not done so yet, please make your membership dues current.

I am looking forward to seeing everyone at the meeting.

Tight Lines,

Tom
